

## What's On in Coverack November 2018

Come and visit Coverack if you can.

All Car Parks have an 'Honesty Box' with the money going to the upkeep of the public toilets and local charities. There is a sandy beach at low tide, dogs welcome but please keep your dog under control and clear up after them, putting dog waste in the bins. Thank you.

Coverack has a sandy beach – tide dependant - and working harbour, all part of Coverack's Cornish charm.

After many years of hard work Peter Wood has decided to step down from the role of 'Webmaster' running and regularly updating [www.coverack.org.uk](http://www.coverack.org.uk) This website was originally set up when CS2000 started in 1999 and it will now benefit from a refresh and an update, making the whole site accessible whether you are on computer, phone or laptop. Rebecca Carey is taking on the new role of webmaster for CS2000, as previously it will be overseen by the CS2000 committee. Peter will continue to have an input with contributions for the news page.

CS2000 would like to take this opportunity to thank Peter for all of his hard work over the years and wish Rebecca every success with the new site [www.coverack.org.uk](http://www.coverack.org.uk) . Don't forget to pop over and have a look!

## November

### Monday 5<sup>th</sup> November, Coverack Firework Night Celebrations.

Coverack Firework Night Celebrations have been running since 2007, it is well supported and a very popular community evening. This year, on Monday 5<sup>th</sup> November, we are planning to repeat the event: Firework display on the harbour from 7pm; BBQ, raffle, glow sticks and refreshments on the Bay Hotel Lawn from 6:15. **We have been advised that due to the work being carried out along the sea front in Coverack this year, not to have a Bonfire on the beach.** The Bay Hotel has kindly offered to have the marquee on their lawn – no other access to the hotel premises are permitted as it is currently a construction site.

We aim to cover our costs but unfortunately this is an expensive event to run. We would very much appreciate any support, to help us raise funds to cover the cost of the fireworks and the insurance.

Practical ways of supporting include:

- Parking in Coverack: If you live in Coverack and have a spare parking space or spaces please, arrange for visiting friends to park with you or contact Caroline so we can give you a laminated florescent 'P' sign to signify that you are happy for others to park.
- Parking from out of area: Please consider car sharing and park with friends or in the car parks. There will be a team of parking marshals to assist. Please park responsibly and remember that emergency vehicles need access through the village, at all times!
- Make homemade goodies - Flapjack, cookies, tray bakes etc. Small items that can be easily eaten in the dark, (preferably bagged up!) bring them along on the night.
- People with collection buckets on the night.

There is an amazing community in and around Coverack that pull together each year and make this event a success; so many children (and adults) enjoy the fireworks from a safe view point. If people attend without taking part or making any donation, then we won't cover our costs and we would be unable to run the event in the future. Please support if you can. Buying, raffle tickets, glow sticks and items from the BBQ and refreshment marquee all helps with the fund raising.

If you would like to donate as a local business then please contact Caroline on the details below. All businesses that donate are publicly acknowledged so that the whole community knows who has helped contribute to this large fundraising effort.

**Tues 6<sup>th</sup> Village Clean** Help required on the morning of 6<sup>th</sup> to make sure the village is tidy after this event.

**Tues 6<sup>th</sup> Beach Clean Day.** Anyone can help out, any time of day. Please leave collected beach rubbish by the dog waste bin at North Corner.
