

What's On in Coverack November 2019

Come and visit Coverack if you can.

All Car Parks have an 'Honesty Box' with the money going to the upkeep of the public toilets and local charities. There is a sandy beach at low tide, dogs welcome but please keep your dog under control and clear up after them, putting dog waste in the bins. Thank you.

Coverack has a sandy beach – tide dependant - and working harbour, all part of Coverack's Cornish charm.

November

Tues 5th Beach Clean Day. Anyone can help out, any time of day. Low tide is at 6pm so an afternoon beach clean will work best. Please recycle or leave collected beach rubbish by the dog waste bin at North Corner.

Tuesday 5th November, Coverack Firework Night Celebrations.

Coverack Firework Night Celebrations have been running since 2007, it is well supported and a very popular community evening. This year, on Tuesday 5th November, we are planning to repeat the event: Firework display on the harbour from 7pm; BBQ, raffle, glow sticks and refreshments on the Bay Hotel Lawn from 6:15. **This year there will once again be Bonfire on the beach.** The Bay Hotel has kindly offered to have the marquee on their lawn – no other access to the hotel premises are permitted as it will be closed. (reopening on 6th November)

We aim to cover our costs but unfortunately this is an expensive event to run. We would very much appreciate any support, to help us raise funds to cover the cost of the fireworks and the insurance.

Practical ways of supporting include:

- Parking in Coverack: If you live in Coverack and have a spare parking space or spaces please, arrange for visiting friends to park with you or contact Caroline so we can give you a florescent 'P' sign to signify that you are happy for others to park.
- Parking from out of area: Please consider car sharing and park with friends or in the car parks. There will be a team of parking marshals to assist. Please park responsibly and remember that emergency vehicles need access through the village, at all times!
- Make homemade goodies - Flapjack, cookies, tray bakes etc. Small items that can be easily eaten in the dark, (preferably bagged up!) bring them along on the night.
- People with collection buckets on the night.

There is an amazing community in and around Coverack that pull together each year and make this event a success; so many children (and adults) enjoy the fireworks from a safe view point. If people attend without taking part or making any donation, then we won't cover our costs and we would be unable to run the event in the future. Please support if you can. Buying, raffle tickets, glow sticks and items from the BBQ and refreshment marquee all helps with the fund raising, over £2000 needs to be raised which is a lot for a small village.

If you would like to donate as a local business then please contact Caroline on the details below. All businesses that donate are publicly acknowledged so that the whole community knows who has helped contribute to this large fundraising effort.

Come and enjoy a community atmosphere with a wonderful view of fireworks across the bay.

Wed 6th Village Clean Help required on the morning of 6th to make sure the village is tidy after this event.
