

What's On in Coverack, July 2020.

There is not a What's On in Coverack booklet this summer as the situation is changing and we don't know what events will run! CS2000 will continue to produce this monthly email update, which will be posted on the Coverack website and Coverack Village Facebook page as usual. The events run by CS2000 are being cancelled on a month by month basis. As a community group we will continue to work to help keep people in touch with Coverack.

Coverack is gearing up ready to welcome visitors back, with the reopening of the Hospitality Industry on Saturday 4th July. We would please ask everyone to be considerate and patient as we work out our new normal, safety for everyone is the top priority. Things will not be the same as they always have been, please bear with us as we try to make it a positive and safe place for everyone. Please avoid busy and congested areas and if you want to visit an attraction or eat out please plan in advance and book. The public toilets in Coverack are open. Please take your rubbish home with you, there will be an increased amount of rubbish and we don't want to spoil our beautiful village.

Currently the majority of Public Events are cancelled or modified due to restrictions surrounding Covid19 and gatherings of no more than 6 people...but you could:

- **Carry out a beach clean: Tuesday 7th Coverack Beach Clean** (First Tuesday of every month). Anyone can help out individually or in family groups, any time of day but please observe social distancing rules. Please place collected rubbish in the nearby bins or for large pieces of beach rubbish, by the dog waste bin at North Corner, Coverack. Low tide is at 13:42 so there will be some beach to clean for the majority of the day. **Please consider doing a 2 minute beach clean whenever you visit the beach** – if everyone did this we would have a lot less litter in the sea. In the current climate please make sure you take particular care, wear gloves, safely dispose of the rubbish and wash your hands after.
- **Thurs 16th July – 11th Aug Coverack Village Early Summer Pisky Trail.** Pisky Trails are available daily between those dates from Coverack Village Stores & The Old Mill Shop (cash payment only at The Old Mill Shop). If you would like to Click & Collect your Pisky Trail from outside Pisky HQ please contact Cornish Pisky Pals at least the day before to receive a secure ink payment. Pisky Trails cost £2.50 each, including a guided route around the village finding piskies, a pisky sticker and entry into a prize draw. All piskies will be out of reach, behind glass or Perspex, please respect social distancing, Pisky Trail in family groups and do not to touch the area around where the pisky is hiding. With these alterations in place Cornish Pisky Pals hope to be able to bring this fun family activity back to Coverack. The piskies have missed playing in the village!
- **Pirate & Mermaid Week:** from Monday 27th July – until Sunday 2nd August, decorated businesses and homes – please join in if you can, decorating your home, holiday cottage or business in Coverack with a Pirate or Mermaid theme. Please note, this year decorations will need to be where the public can't touch them to avoid cross contamination. Henri at Coverack Village Stores has kindly offered that children can create Pirate & Mermaid pictures to be displayed in the shop window for that week. If you have any **clean** old socks or gloves, rather than throw them away, see if you can make some 'sock fish' that can be turned into environmentally friendly bunting for Pirate and Mermaid week!
